

OCHIAI EXHIBITION 2016

On October 28th and 29th, Ochiai Cutlery held annual company product exhibition. This year, it was held at the same timing as World Tea Festival in Shizuoka city.

We had more than 3,000 visitors. They gratefully ordered our ride-on tea plucking machines, hand-held tea plucking machines, tea garden management tools and etc. for the next season to come.

Along with domestic visitors, we had 3 delegations from P.R.C and R.O.C. Both visitors and Ochiai had a good finishing of the tea season 2016.
