

Container type tea harvester OHC-5DVB

Characteristics

1. Installed diesel engine
2. 1.2m³ or 1.6m³ capacity container available
3. Long durability iron crawler
4. V-blow system enables easy and comfortable harvest
5. Foldable container

**Diesel
engine type**

Specification (could be changed without notice)

Model		OHC-5DVB		type		4cycle vertical water cooling straight 3 cylinder diesel	
Measure ment	Length	2470mm		engine	Displacement	1331cc	
	Width	2200mm			Rating	20.5kw(27.5PS)/2800(rpm)	
	Height	2150mm			Fuel capacity	33ℓ	
gauge		1800mm			Cutting unit		2.5t v-blow brush
Center cutting height		550-980m		Container capacity		1.2m ³ or 1.6m ³	
climbable angle		15° (maximum)		Cra wler	Iron	42x230	
Operation angle		12° (maximum)			Attachment		Plucking, pruning, dumping attachment
Speed		0-5.0m/h
